

The ARMOR Of LIGHT

A Film by Abigail E. Disney

From director Abigail Disney, *THE ARMOR OF LIGHT* tracks Reverend Rob Schenck, an anti-abortion activist and fixture on the political far right, who breaks with orthodoxy by questioning whether being pro-gun is consistent with being pro-life. Along the way, he meets Lucy McBath, the mother of Jordan Davis, an unarmed teenager whose murder in Florida has cast a spotlight on “Stand Your Ground” laws. *ARMOR* follows these unlikely allies through their trials of conscience, heartbreak and rejection, as they bravely attempt to make others consider the growing toll of gun violence in America through a moral lens. In this courageous look at our fractured political culture, an Evangelical minister and the mother of a teenage shooting victim come together across deep party lines to find common ground.

“What a tremendous film Abigail Disney has created in *The Armor of Light*! Not only is it moving, it stimulates productive conversation among Christians and non-Christians alike.

**Pastor Mike MacIntosh,
Horizon Christian Fellowship**

Rev. Rob Schenck and Lucy McBath “shine a burning light on questions that go to the essence of who we are and what it means to value life...

It’s a vital colloquy on whether we shape our lives through fear or with love.”

Sheri Linden, LA Times

“I think every American of ANY faith should see it! Thanks to all of you for presenting the story with such grace, equanimity, and elegance.”
